STAT MEMORANDUM FOR: [REDACTED]

Logistics Services Division, OL

FROM:

Bruce T. Johnson
Chairman, Fine Arts Commission

SUBJECT:

Platform for Spaventa Statue

STAT [REDACTED]

I noticed as I walked through the main concourse on Friday that a large piece of black Formica has been torn away from one corner of the platform on which the Spaventa statue stands. Apparently someone has been careless with floor-cleaning equipment or with moving equipment. Please try to ascertain what happened so I can register the FAC's concern with the supervisor(s) concerned, and please do what is needful to get the platform repaired. I fear it may prove costly; and if GSA is at fault for the damage, I would like to present them with a bill for the cost of repair. That way perhaps we can get their attention and reduce the frequency with which this sort of thing happens.
